

*If you had a love-potion, who would you make fall madly in love with you?*

**After his eccentric teacher casts him as Puck in A Midsummer Night's Dream, Timothy stumbles upon a recipe hidden within the script to create the play's magical, purple love-pansy. His spirit soars as he puckishly imposes a new reality by turning much of his narrow-minded town gay, beginning with the rugby-jock of his dreams.**

*A moving musical comedy of errors... heartfelt... vibrant imagery... a first-rate ensemble cast... innovative music rivaling the best of pop/rock and contemporary Broadway!*
